## Employer Engagement Day Thursday 25<sup>th</sup> April 2024

Dear Parent / Guardian,

On Thursday 25<sup>th</sup> April we are holding our annual Employer Engagement Day for Year 10 students. The day is designed to provide our students with real, meaningful contact with professionals in the industry areas they have expressed an interest in, and an opportunity to gain a real "taste" of work in their chosen field.

Events like these are incredibly helpful for our students when they go on to make important decisions about their career paths and future study options, and are a vital component of our Work Related Learning curriculum.

The Employer Engagement Day will involve each student taking part in one hour sessions focusing on a particular industry area. We ask each contributor to plan an interactive activity or task for the students to give them a flavour of the kind of tasks they could one day be undertaking if they pursue a career in this field, as well as an opportunity to appreciate the range of skills needed to be successful.

During Social Sciences lessons we asked our Year 10 students to complete a questionnaire highlighting the industries they are considering, so that we can ensure our contributors are working with students with a genuine interest in their area, and that our students gain as much as possible from the experience.

If you have any queries about this event or any aspect of our careers education curriculum, please do not hesitate to contact me.

Yours Faithfully,

Ms A Kadem  
Team Leader: Careers & Work Related Learning
