📍 V I R T U A L

15TH OF NOVEMBER | 5PM - 6:30PM

Have you ever wondered how major business leaders make some of the most important strategic decisions? Does working on some of the world's most high-profile mergers and acquisitions sound exciting? Who do you think provides them with professional services and advice to be able to execute these deals?

Deloitte is one of the most prestigious professional services and accounting firms in the world, in fact they are the biggest out of all the Big 4. They offer audit, tax, legal and advisory services to enable brands to grow, succeed and maintain their global status. Forming number 1 of the Big 4, Deloitte has some huge profile clients, such as Microsoft, Morgan Stanley, Apple and Starbucks. Deloitte operates in over 150 countries, with over 300,000 employees, with revenues in excess of nearly \$60 Billion a year.

On **Wednesday 15th November from 5pm – 6:30pm** we will be hosting our first event of the year with **Deloitte**; this **virtual webinar will be held via Zoom** so you can join us from anywhere in the country! This fantastic evening will give you an insight into what Deloitte do and what a career at such a huge global firm can look like. They will be sharing tips on how you can succeed in your future, and we will be hearing from top professionals who will be sharing their personal insights to a Big 4 firm.

Providing such a range of professional services all in-house, makes a lifetime career at Deloitte so exciting and vibrant, full of opportunities. Future 'you' could be auditing or advising global brands like GSK, Boeing or even Morgan Stanley! If you're interested in a high-flying career at one of the Big 4 - you don't want to miss this event! Only two Live work experience sessions remain before the UCAS January deadline for all Allied Healthcare university courses. These universities mandate work experience in a caring or service role within health or related fields, including direct observation of healthcare. Acquiring such work experience can be challenging, and there are areas that students may be interested in but cannot explore. That's why our LIVE Virtual Work Experience presents an incredible opportunity for students. Find out more here: <https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

The upcoming NHS Virtual Work Experience Programme on Sunday 3rd December, offers a perfect opportunity for students to engage with AHP professionals, gain in-depth insights, experience a patient's journey from health concern to recovery, and receive a work experience certificate that is invaluable for their UCAS application. Those that complete the full 6-month programme will also be awarded Highly Commended References!

This programme is suitable for students in year groups 10/S3/NI11- Year 13/S6/NI14 who are interested in the following careers:

- Nursing Midwifery Paramedicine Physiotherapy Occupational Therapy Dietetics
- Radiography Prosthetics and Orthotics Speech and Language Therapy Pharmacy

As the UCAS deadline for NHS Health Careers is in January, the sooner students begin work experience, the better. I kindly request your assistance in sharing these details with your students.

Students can register using the link <https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

Once they've registered, students will be emailed links to their virtual work experience portals. Please ask students to check their spam folders and mark their attendance on the day in order to receive their Work Experience Certificates.

During the work experience day, students will follow 2 patients from their initial presentation to recovery. They will gain a unique insight into how patients interact with a variety of healthcare professionals and what it's like to work in an NHS multidisciplinary team. Attendees will have the opportunity to interact with healthcare professionals throughout each day. This will empower students to make an informed career decision and demonstrate their commitment to healthcare in their UCAS applications. Students can register individually at any time throughout the 6-month programme using the link below. We recommend booking early to gain as much out of this programme as possible. Places are £10 a session to cover administrative and technological costs.

Please forward these details to your interested students so they can participate in the monthly virtual work experience days:

Calling all aspiring lawyers! We are thrilled to announce **Fragomen's 2023 UK Immigration Law School** - Applications are now open! Fragomen are the world's largest corporate immigration lawyers and they are excited to invite you to their law school which will take place across 2 evenings in November!

Have you ever wondered how global firms like Uber, HSBC or Netflix relocate hundreds of their staff globally? Want to find out how some of the world's highest profile sports people get their visas to work all across the globe? Well now is your chance to hear all about Immigration corporate Law, a new area of law you might not have heard much about in the past. Welcome to Fragomen.

Fragomen's immigration school has been hugely successful in the previous three years and is packed full of content, amazing senior speakers from the law industry as well as providing you with lots of networking opportunities.

If a first-hand account of the inner workings of a law firm sounds interesting to you, you will enjoy the legal immigration school. Not only will Fragomen have speakers from the legal profession, but also clients that they work with, global professionals and charities.

The school will run over two evenings, **Tuesday 14th November and Tuesday 21st November 6pm - 8pm**. Once you have registered, we will send over the school schedule and log in details, and you will be able to join online.

New blog: Learn a language while travelling

Eighty-five per cent of those who can't speak a foreign language wish they could. But the older you get, the harder it can become.

What if there was a way to make learning a language fun, easy, and intuitive?

We believe there is! It's called immersive travel.

By jumping into the deep end of a new culture, it becomes much easier to pick up new words and phrases.

ProjectsAbroad

Are you fascinated by foreign languages? Do you want to connect more deeply with people from other cultures?

Keep reading to discover how immersive travel can take your language skills to the next level. In this month's dose of travel inspiration, discover how travel can help you become fluent in no time.

First Intuition put together a page to help young people decide if a career in accountancy is for them. The page contains two quizzes. One looks at whether the kinds of work they would be doing would appeal to them and the other gives them some simple accounting tasks to do to see if they can grasp them. At the end they get scores telling them how suited they are to our industry.

Students who are debating a career in Accounting industry, Please do take the test. It may just help you take a step further in your own career choices.

Here is the new page with both quizzes on it.

Take a look at our **Virtual Work Experience programmes** covering a number of different NHS roles!

Our NHS Virtual Work Experience programmes are a great way for students to not only learn about healthcare but also build on their employability skills and boost their CV.

Even if they're not sure that healthcare is for them, there's plenty of experience to be gained in these programmes, such as how to properly write a job or university application to secure their ideal role.

All students who complete the programme will earn a certificate that will look great on their CV or Personal Statement.

Many of our programmes are area exclusive! The link below will allow you or your students to let us know your location. Upon doing so we will send direct you or your students to the right opportunities.

Please share the programmes with your students here.

If you would like to launch Springpod to your students in the new academic year we are happy to introduce Springpod to your students. Just complete this form detailing your contact details, potential dates and times and contact details and we will get back to you to confirm details.

The Parent Perspective Podcast episode 9 - the final episode in the series - is now LIVE!

In the final episode of this series we're talking about the green agenda and how apprenticeships – particularly in the trade and engineering sectors – can help us hit our targets and live a little more sustainably.

Rachel's guest this week is Santina Bunting, a Level 3 **Civil Engineering apprentice** in the Geotechnics team at ARUP

Santina discusses her journey into an **apprenticeship at 16**, what it was like to leave school at a young age and go to work whilst her friends were in sixth form, **how she found the apprenticeship** with support from her Mum, what the **benefits** have been and what her **advice to others** would be. Santina also discusses her future plans to progress into a **degree apprenticeship in engineering** and what it's been like as a young woman in the sector.

A BRAND-NEW FILM TO CELEBRATE 100 YEARS OF ARMY APPRENTICESHIPS

This month, the nation's number 1 apprenticeship employer - the British Army, is celebrating 100 years of offering apprenticeships!

To mark this special occasion, we went along to the Army Foundation College (AFC) in Harrogate and met some incredible Junior Soldiers to find out what life is like at the college and the opportunities available.

AFC Harrogate supports 16 and 17 year olds in learning military skills, fitness and education (including English and Maths) so they're ready for an apprenticeship and successful career in whichever part of the Army suits them best - all whilst earning a good wage and making friends for life.

[For young people interested in applying \(and those supporting them\)](#)

Join our webinar on [7th November at 4pm](#) to find out more about AFC Harrogate and how the college helps 16 – 17 year olds prepare for a career in The British Army.

You'll hear from current/past apprentices on their experiences of Army Foundation College Harrogate and how it has impacted and inspired their career so far.

JOHN DEERE IS LOOKING FOR THE TALENT OF TOMORROW

Do you have students who are interested in engineering and would thrive as a John Deere apprentice? We're looking to recruit the next generation of **apprentice technicians** to work across our agriculture, turf and parts business.

A mix of on-the-job, practical learning at one of our dealerships across the UK and Ireland, combined with block-release classroom studies and web-based learning, gives apprentices the opportunity to earn while they learn. Whether your students are into high-tech engineering or sophisticated parts and service support, there's an apprenticeship programme for them.

The John Deere apprenticeship programme has been running for over 30 years:

- Parts Tech Level 2
- Turf Tech Land-Based Service Engineering (LBSE) Technician Level 3
- Ag Tech Land-Based Service Engineering (LBSE) Technician Level 3
