Careers Information, Advice and Guidance

Careers Interview request. Ms Kadem, Head of Careers & Work Related Learning.

Why would I want a Careers Interview?

I'm not sure which career path to follow...
Do I stay on at Sixth Form...
What subjects should I take...
What College is best for me...
I have an Apprenticeship opportunity, I need more advice...
I need more help with my application forms...
CV and Cover Letter support...
Higher Education, what's best for me...
University support...
Individual Careers Guidance...

If you are a student at Shenfield High School then you are entitled to a Careers Interview whenever you feel you need one. Request your Careers Interview through your form tutor, with a staff member in the Careers Office C53

or during school closure, email the **Careers Administrator**

Mrs Utton on:

l.utton@Shenfield.essex.sch.uk.

Emma is our very approachable

Impartial Careers Advisor that holds interviews in the Library Office. She looks forward to helping you soon.

Please find a 6min support video, explaining how to get the most out of your careers appointment, should it be of interest.

8th DECEMBER 2023

Careers Bulletin

Welcome to Springpod | Virtual
Work Experience | Boost your CV

Take a look at our **Virtual Work Experience programmes** covering a number of different NHS roles!

Our NHS Virtual Work Experience programmes are a great way for students to not only learn about healthcare but also build on their employability skills and boost their CV.

Even if they're not sure that healthcare is for them, there's plenty of experience to be gained in these programmes, such as how to properly write a job or university application to secure their ideal role.

All students who complete the programme will earn a certificate that will look great on their CV or Personal Statement.

Many of our programmes are area exclusive! The link below will allow you or your students to let us know your location. Upon doing so we will send direct you or your students to the right opportunities.

Please share the programmes with your students here.

If you would like to launch Springpod to your students in the new academic year we are happy to introduce Springpod to your students. Just complete this form detailing your contact details, potential dates and times and contact details and we will get back to you to confirm details.

The National Grid Unplugged: A Behind the Scenes Exploration - Monday 11th December, from 5pm - 6pm!

We have an incredibly exciting upcoming opportunity for your students with one of the worlds biggest electrical engineering companies in **National Grid**, on **Monday 11th December from 5pm - 6pm**. **National Grid** are a FTSE 100 Company with over £18 billion and operations all over the globe, and are opening their doors to your students to find out more about their apprenticeship and work experience opportunities.

If you would like to find out more information of this event, please click on the button below, which will take you to the student email campaign for this event. We kindly ask that you share this information with all of your students aged 14-21 to ensure they do not miss out on this incredible opportunity.

Student open evening

Thursday 18 January 2024
5:30pm - 7:30pm

Discover how Rickard Luckin's student programme can kick-start your career in accountancy and tax.

We are hosting an open evening specifically for students and we would love to see you there.

The event will be held in our Chelmsford office, however we have opportunities for trainees across all three offices.

Our team will be on hand to talk to you about our dedicated training and apprenticeship opportunities (including ACA, ATT-CTA and AAT), answer your questions and outline why Rickard Luckin is the perfect place for you to begin your professional journey.

YEAR 13

Our applications open in December for potential trainees, with successful candidates starting in July 2024.

Our entry requirements are 3 B's at A-level or equivalent.

UK Work Experience Programme

Who can apply?

This programme is aimed at those in the later years of full-time secondary, sixth form or college education who are keen to get an introduction to what a career in financial services may be like.

The Work Experience programme is delivered each Summer. Specific details regarding each opportunity are available when you apply.

To be considered for the programme, you will:

Be in full-time education either at secondary school, sixth form or college at the time of the work experience commencing and motivated to find out more about HSBC and to be prepared to complete the application process, which will include an online assessment and if successful, a telephone interview.

The UK Work Experience Programme is for students looking for a work experience placement with a leading global bank. The programme provides opportunities to gain some hands-on experience, develop your knowledge of banking and financial services, and explore the careers available at HSBC in the UK.

Students should note that this is an unpaid work experience programme.

For:	Candidates aged 18 or under, in full-time education (years 9-13) and considering a career in financial services
Duration:	Five days
Areas:	Multiple Business Divisions
Start date:	10th July or 7th August 2023
Location:	UK

Aged 18 and under in academic years 9 -13, in full-time secondary, sixth form or college education and considering financial services as a career after school or university. The programme will run hybrid model, 2 days in person & 3 days virtually. For the in-office experience you will be getting hands on experience of what it is like working for HSBC. These placements will be available across different functions of the bank across the UK. You should only submit one application for a location/region that is most convenient for you to travel to and from the placement available. You must be available for one of the two weeks in the summer: Work Experience Weeks, Week commencing 10 July OR Week commencing 7 August. Due to limited vacancies, we would encourage you to submit an application as soon as possible to avoid disappointment.

Applications open: 27 January 2023

Applications close: 28 February 2023

Start date: 10th July or 7th August 2023

[UK Work Experience Programme](#) |
[HSBC Holdings plc](#)

Careers Bulletin

Only two Live work experience sessions remain before the UCAS January deadline for all Allied Healthcare university courses. These universities mandate work experience in a caring or service role within health or related fields, including direct observation of healthcare. Acquiring such work experience can be challenging, and there are areas that students may be interested in but cannot explore. That's why our LIVE Virtual Work Experience presents an incredible opportunity for students. Find out more here: <https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

This programme is suitable for students in year groups 10- Year 13 who are interested in the following careers:

- Nursing Midwifery
- Paramedicine Physiotherapy
- Occupational Therapy Dietetics
- Radiography Prosthetics and Orthotics
- Speech and Language Therapy Pharmacy

As the UCAS deadline for NHS Health Careers is in January, the sooner students begin work experience, the better. I kindly request your assistance in sharing these details with your students.

Students can register using the link

<https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

Once they've registered, students will be emailed links to their virtual work experience portals. Please ask students to check their spam folders and mark their attendance on the day in order to receive their Work Experience Certificates.

During the work experience day, students will follow 2 patients from their initial presentation to recovery. They will gain a unique insight into how patients interact with a variety of healthcare professionals and what it's like to work in an NHS multidisciplinary team. Attendees will have the opportunity to interact with healthcare professionals throughout each day. This will empower students to make an informed career decision and demonstrate their commitment to healthcare in their UCAS applications. Students can register individually at any time throughout the 6-month programme using the link below. We recommend booking early to gain as much out of this programme as possible. Places are £10 a session to cover administrative and technological costs.

Please forward these details to your interested students so they can participate in the monthly virtual work experience days: <https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

kindest Regards, Nikki Abbott Head of Education

Careers Bulletin

Marsh McLennan Insurance London are now recruiting for their July 2024 work experience programme, which is targeted at Year 12 and Year 13 students .

Those who perform well during the placement will be fast tracked” to the Assessment Centre should they apply for the apprenticeship programme in Summer2025.

Applications are also open for Year 13 students .

Here is a link to Marsh McLennan website article.

This includes the short video and the registration link for the **2024 WEX programme, Marsh's Energy & Power Work Experience has expanded | Marsh**

Additionally – this is the link to our recruitment page detailing the apprenticeship opportunities currently on offer, **starting October 2024**

Applications for **the free National NHS Virtual Work experience programme have now opened for 2023-2024!** Virtual work experiences have been accepted by the Medical Schools and Dental Schools Council as valuable alternatives to in-person shadowing, backed by the Health Education England Discovery report on the impact of virtual work placements. This programme is brought to you by Birmingham Universities Hospitals Trust in collaboration with Medic Mentor, and it is completely free.

Students can apply for a placement, for free at this link: <https://medicmentor.org/university-hospitals-birmingham-trust-virtual-work-experience/>

Developed in collaboration with Birmingham Universities Hospitals Trust, this carefully curated 6-month medical and 4-month dental programme offers a unique insight into the medical and dental profession. The E-learning format allows students to complete their placements in their own time, whilst being able to book 15 minute 1-2-1 appointments with a doctor or medical student to discuss what they have learnt on their virtual placement (also free). Covering ethics, procedures, wider team roles, and facilitating direct conversations with doctors and dentists, this virtual experience serves as an excellent foundation for your students' future careers. Not only does it enrich their UCAS applications, but it also strategically prepares them for in-person work experience placements.

Taking part in the Virtual Work Experience will provide:

Comprehensive Insights: The programme covers a range of specialities, providing a holistic understanding of medical and dental practices. Each month, a new focus area is introduced, allowing participants to delve into different aspects of the field.

Flexible Participation: Tailored for students from years 10-13/S3-S6/NI10-14, the programme accommodates various schedules by being virtual. Participants have one month to complete each specialty, ensuring flexibility and ease of participation.

Recognised Certification: Upon successful completion of all specialities, students will receive a certificate from Medic Mentor and UHB, validating their active participation to include in their UCAS and apprenticeships applications.

Registering for these programmes is simple—students just need to complete the free online application form: <https://airtable.com/appuQX2ouadvjQUSU/shrroljLczgdg9uLw>

We are eager to welcome your students to our exceptional free work experience programmes and support them in their journey toward a fulfilling career in medicine or dentistry. Kind regards,
Nikki Abbott Head of Education Medic Mentor

Calling Y12 & Y13 😊

After your Exams, How about a Free Accountancy Summer School?

***Please note Y12 that you will be on Work Experience Placements 8th – 19th July 2024, the summer school would count towards your placement should you wish to register**

Following the positive feedback of this year's Accountancy Summer School, we will run this FREE event again in 2024 at our Chelmsford centre.

The Summer School will be open to all students in year 11 and above so we hope to see many of your students participating.

The two-day event will take place on the 10th/11th July 2024 and will run from 9:30am to 3:30pm on both days at our centre in Chelmsford.

Attached is a booking form (linked below) and a flyer that confirms the details of the Accountancy Summer School which can be distributed to students.

Please note, that students must have the permission of a parent/carer and Head of Year to register.

<https://forms.office.com/e/F5VHARJwh8>

SUMMER SCHOOL

9:30am – 3:30pm
5th Floor Halford House, Coval Lane,
Chelmsford CMI ITD

What you'll cover:

- Introduction to Accountancy
- Routes into Accountancy
- What does an Accountant do?
- CV and interview preparation
- Employer forum (Q&A)

Register your interest here

10th – 11th
July 2024

First Intuition put together a page to help young people decide if a career in accountancy is for them. The page contains two quizzes. One looks at whether the kinds of work they would be doing would appeal to them and the other gives them some simple accounting tasks to do to see if they can grasp them. At the end they get scores telling them how suited they are to our industry.

Students who are debating a career in Accounting industry, Please do take the test. It may just help you take a step further in your own career choices.

Here is the new page with both quizzes on it.

<https://www.firstintuition.co.uk/fihub/do-i-have-what-it-takes-to-become-an-accountant/>

I really hope you and your students find this useful.

Best regards,

Shelly Tweed
Marketing Manager

Careers Bulletin

We are a group of doctors passionate about inspiring the next generation of students into Medicine, Nursing, and other Allied Health Professions. We are thrilled to announce that our popular weekly Anatomy Club is back this year.

The **Anatomy Club** is a 3-month after-school programme covering all 12 organ systems. The sessions run for 2 hours weekly, every Tuesday evening, led by two practising doctors. We cover the body systems in a fun and interactive manner by dissecting our virtual anatomy model. We also cover diseases affecting the organ system and try to solve anonymised real-life patient cases together.

The sessions are aimed at any students interested in Science and Healthcare who want to learn something outside of the school curriculum. Our passion is to inspire students to learn about human science in an engaging and affordable manner. The course suits all students aged 13 and above. Certificates will be provided for participation. Below are some further details:

DoctorsLive - Virtual Anatomy Club Weekly (February 2024 to April 2024) - Live Every Tuesday 6pm-8pm

1. Learn about the fascinating workings of the human body from the comfort of your home
2. Cover all 12 organ systems
3. Solve real-life patient cases, including history taking and anonymised scans
4. Live virtual operations - showing step by step how common surgeries are carried out
5. A chance for students to interact with practising surgeons and doctors
6. Each live session is recorded and can be accessed anytime

The entire three-month program, including handouts, recordings and certificates, is priced at **£59 per student**. For more information and to enrol, please visit the link below:

<https://doctorslive.co.uk/anatomyclub/>

I would be very grateful if you would forward our information to any students who you think may be interested. Please note places are limited and are allocated on a first-come, first-served basis.

Amazing
Apprenticeships

ARMY
BE THE BEST

AFC Harrogate supports 16 and 17 year olds in learning military skills, fitness and education (including English and Maths) so they're ready for an apprenticeship and successful career in whichever part of the Army suits them best - all whilst earning a good wage and making friends for life.

For young people interested in applying (and those supporting them)

**A BRAND-NEW FILM TO CELEBRATE
100 YEARS OF ARMY APPRENTICESHIPS**

This month, the nation's number 1 apprenticeship employer - the British Army, is celebrating 100 years of offering apprenticeships!

To mark this special occasion, we went along to the Army Foundation College (AFC) in Harrogate and met some incredible Junior Soldiers to find out what life is like at the college and the opportunities available.

Join our webinar on 7th November at 4pm to find out more about AFC Harrogate and how the college helps 16 – 17 year olds prepare for a career in The British Army.

You'll hear from current/past apprentices on their experiences of Army Foundation College Harrogate and how it has impacted and inspired their career so far.

Discover your potential

Each of our programmes has been designed to help you to kickstart your career, develop your skills and start making an impact. Find out more about the path that could be right for you.

Deloitte's BrightStart Apprenticeship

Participants can earn and learn, gain professional and degree level qualifications, and help solve some of Deloitte's clients' most complex problems, right from the start. From Audit & Assurance to Consulting, Tax Consulting to Technology, they're delivering end-to-end programmes – turning complex challenges into opportunity and re-designing a more connected future. Deloitte have exciting opportunities available across various locations in the UK. Places are filling up fast – anyone interested should visit Deloitte's careers site and apply now.

At Deloitte, Deloitte's early careers programmes are designed to help young people reach their potential and discover what matters to them. They don't need to have it all figured out yet; that's what they're here for.

But by kick-starting their careers as part of Deloitte's global community of experts, they can experience the support they need to develop their skills and start making an impact from day one.

They offer a range of early careers programmes to suit a diverse range of candidates: Deloitte's apprenticeships mean young people can bypass university and earn as they learn, gaining degree-level and professional qualifications as well as on-the-job experience. Deloitte's graduate programmes are more than just a training scheme; they provide graduates with the opportunity to work on challenging client projects right from the start and carve out a career in their global organisation.

[Early careers programmes](#) | Deloitte UK

Exciting news – [EarlyCareers.co.uk](https://earlycareers.co.uk) has officially launched. As the UK's largest platform for apprenticeships, graduate roles, internships, and trainee positions, we offer your students valuable opportunities.

To streamline access to opportunities in the East of England, we've created a dedicated page covering:

- Bedford
- Basildon
- Cambridge
- Chelmsford
- Colchester
- Ipswich
- Luton
- Norwich
- Peterborough
- Southend-on-Sea

Access your regional page here: <https://earlycareers.co.uk/eastern/>

Empower your students with our map search feature, enabling seamless navigation through numerous local opportunities. They can register for updates, set up alerts, and save jobs. We've also introduced a distinctive brain logo, symbolising active support for neurodiverse candidates. Please spread the word to ensure your colleagues and students maximise every opportunity in the region.

LAW, SOCIAL SCIENCES AND SOCIAL WORK CONFERENCE

31 January 2024, 9.30am–3.00pm

Interested in making a difference?

Are you in Year 12 and curious about what a degree in the Social Sciences could look like?

Join us at the University of Suffolk for a brand-new conference encompassing:

- Law
- Psychology
- Criminology
- Sociology
- Childhood
- Social work

The day will include exciting taster sessions in each subject (attendees can pick up to three from the above list) as well as a tour of our wonderful University campus and presentations about what higher education can do for you.

[Book Your Place](#)

Or [email us](#) for more information

 University of Suffolk

<https://www.uos.ac.uk/lsssw-conference/>

Future events

Thank you for inviting Sheffield to your Futures Event. If you would like to book in a talk for myself or a colleague to deliver that could consolidate some information for your students, then please do have a look through our offer (available [here](#)) and let me know.

As we start to look ahead to 2024, it's worth noting that as students start to receive offers from universities, their minds start to turn to Student Finance. We do offer a Student Finance session, which we find tends to be very popular with Y13 students as it allows them to start to understand the Student Finance system. The information is very generic, so even if you don't have that many students who have applied to Sheffield then they will still take away the same amount of information as those who have. If this is a session that you feel would be beneficial, I'd love to get a date in the diary.

Subject tasters

Please don't forget to highlight the subject taster sessions that we offer for students. I have had some great feedback from teachers who have encouraged their students to attend, so please do spread the word!

The sessions are all run online, and students can view the schedule of sessions we have coming up [here](#). They are designed for students in years 12 and 13, to give an insight into the higher level of study that University has to offer.

Sheffield Live

We are continuing to run our ever-popular Sheffield Live sessions, which students can sign up to. All of the sessions are run virtually, and cover a wide range of topics. The schedule for these is available [here](#), and these are always well attended events containing lots of useful information for students who are thinking about university, and also those who have already applied.

**University of
Sunderland**

Our Esports Event Management degree allows you to immerse yourself in Esports culture and be at the forefront of a rapidly evolving industry

If your students are interested in the production and management of Esports events and the technologies associated with this field, then join our online event to find out more about this fascinating area of study.

UEA
University of East Anglia

UNIVERSITY OF PORTSMOUTH

We realise that it's not always easy to get to an Open Day. But YOU can still get a feel for life on campus without leaving home using our **Virtual Experience** portal.

[Virtual Experience | University of Portsmouth](#)

College and University Open Days

Our Open Days and Webinar dates for this term are right around the corner, so remember to remind students to book their place.

Our College Open Days operate on a carousel basis, allowing students to come and explore a selection of courses that they'd like to discover more about. Members of the support teams are available on the day to help students and their parents learn more about all the different aspects of college life that take place outside of the classroom too. Our next open day dates is Saturday 13th January. To find out more or to book onto a day, click [here](#).

For students seeking to gain an overview of our college courses from the comfort of their own home, they can do so by booking onto our online webinar on 13th December from 6-6.45pm [here](#).

University Open Days focus on our post-18 courses, giving students the opportunity to come and explore one choice in more detail. Students will also have the chance to meet current students and other departments such as the careers advisory service, students' union and accommodation, who will provide insight into life at Writtle. Our
