## Careers Information, Advice and Guidance

### Careers Interview request. Ms Kadem, Head of Careers & Work Related Learning.

Why would I want a Careers Interview?

- I'm not sure which career path to follow...
- Do I stay on at Sixth Form...
- What subjects should I take...
- What College is best for me...
- I have an Apprenticeship opportunity, I need more advice...
- I need more help with my application forms...
- CV and Cover Letter support...
- Higher Education, what's best for me...
- University support...
- Individual Careers Guidance...

If you are a student at Shenfield High School then you are entitled to a Careers Interview whenever you feel you need one. Request your Careers Interview through your form tutor, with a staff member in the Careers Office C53

or during school closure, email the **Careers Administrator**

**Mrs Utton on:**

[l.utton@Shenfield.essex.sch.uk](mailto:l.utton@Shenfield.essex.sch.uk).

Emma is our very approachable

Impartial Careers Advisor that holds interviews in the Library Office. She looks forward to helping you soon.

Please find a 6min support video, explaining how to get the most out of your careers appointment, should it be of interest.

# INSIGHT INTO UNIVERSITY

Thank you to our supporters:

## HELP STUDENTS DECIDE WHETHER UNIVERSITY IS THE ROUTE FOR THEM

Insight into University is a comprehensive virtual experience allowing students to explore STEM studies at university and the career opportunities that these subjects lead to. It provides access to information on student life, STEM projects and activities set by leading UK universities and global STEM companies, first year undergraduate lectures, live interactive sessions with academics, admissions tutors, employers and current students.

Whether young people are interested in life sciences, chemistry, biomedical, forensic science, robotics, food science, electronics, engineering, physics, computer science, sustainability, materials science, aerospace, built environment, tech or maths, we have something for them. With specially developed content and live sessions from universities including University of **Cambridge, Sheffield, Lancaster, Abertay, UCL, Oxford, Liverpool, Plymouth, Edinburgh, Birmingham, Warwick, Kingston, Nottingham, Strathclyde**. We will also have some fantastic workshops and careers guidance from organisations such as Innovate UK, GSK, GE, Tech Partnership, Rolls Royce and more.

The unique feature of this course is that students are able to access content from a diverse range of STEM subjects and will be able to tailor a course that suits their interest.

On successful completion of the course, which involves 30 hrs of study, students will receive a Silver Industrial Cadets award and be in a position to make a more informed decision for their UCAS application.

@TheEDTUK  
@IndustrialCadet

Visit us online  
[www.etrust.org.uk](http://www.etrust.org.uk)

# INSIGHT INTO UNIVERSITY

## When is it?

The experience will run from **1st July until 23rd August 2024** and can be completed flexibly to fit around other commitments and study at a pace that suits individual circumstances.

## Who is it for?

The experience is open to all students age 16+ and is suitable for all abilities, with activities that cover different levels of advanced study.

All students need is a genuine interest in STEM and inquisitiveness about what the future can hold for them and how they can help get themselves there.

## How to apply?

Applications open on 4th March 2024. Visit our website <https://www.etrust.org.uk/insight-into-university> or scan the QR code to register your interest!

## Cost: £95

Fully funded places are available if cost is a barrier, please indicate your interest on the application form

## What our students say

*"I've absolutely loved every minute of this course. I found the live sessions in particular very inspiring and informative, and all of the taster lectures were both accessible and challenging. I'm really excited to continue with my STEM studies."*

*"This course absolutely helped me with my future education and career path. The way I was able to choose which activities or lectures I wanted to complete was undeniably useful as it meant I could tailor a course to suit me. This was a thoroughly enjoyable experience."*

*"I really enjoyed the course and feel much more confident in applying to university having done it. The live sessions were very interesting and I was blown away by the wide range of choice of sessions."*

**92%** of students felt that the skills and knowledge that they gained from the course will have a positive impact on their future studies and career.

**86%** of students felt confident or very confident in making their future study and career choices after completing the virtual experience.

Canterbury  
Christ Church  
University

# Discover healthcare professions

15 May

Discover healthcare professions: connecting courses to careers - Canterbury Christ Church University

Join this 'open to all' **virtual session** on **Wednesday 15 May, 6:30pm - 7:45pm** where guests can discover more about healthcare professions and their career pathways. This event might be good to share with your students, parents, carers, local community or friends that are interested in a career (or career change) in healthcare!

At this virtual event, in conjunction with the NHS and local universities, they will find out more about healthcare professions which enable them to make a difference to people's lives. They will learn about career pathways for a wide range of nursing, science and allied health professions, and:

- hear from healthcare professionals about their role and career pathways
- gain a better understanding of the entry routes to healthcare professions.

learn about healthcare courses from universities in Kent and Medway.

The interactive session will provide careers information and advice giving anyone interested the knowledge they need to take the next step towards a career in healthcare.

When applying to dental or medical school, students should aim for a minimum UCAT score of 2760 Band 2, which is within the top 20% of UCAT results. It's my goal to ensure that your students are equipped with the best resources, support and guidance through their UCAT preparation to help achieve the best score possible.

One of the best ways you can help provide this support is by inviting aspiring medics and dentists to our upcoming Get Into Conferences. These events, led by experienced Chief Mentors and guest speakers who scored within the top 10% of the UCAT exam, are designed to guide students through-out not only the entire UCAS application process, but also how to tackle the UCAT with confidence.

Register for the Get Into Medicine Conference on:

Sunday 12th May from 9:30am - 3:30pm

Sunday 19th May from 9:30am - 3:30pm

<https://airtable.com/appgXnyzN5ZD9lwk6/shry7MZYtt3MGPjvO>

Register for the Get Into Dentistry Conference on Saturday 18th May from 9:30am - 3:30pm:

<https://airtable.com/appgXnyzN5ZD9lwk6/shrBuiR7SBAC19kE>

At one of last months conferences, we heard from Carolyn, a current medical student who shared some valuable, in-depth insights into the UCAT exam:

Attending these conferences provides your students with valuable insights and strategies for tackling the UCAT, as well as giving them an opportunity to connect with other like-minded individuals who share their passion for medicine and/or dentistry. During these sessions, we will cover:

- UCAT and UCATSEN overview and resources
- Tactically choosing universities
- Medical and Dental school interview skills
- Medical and Dental Awards and Leadership Programmes
- Extracurricular activities
- Work experience
- Building a medical/dental CV
- Applying for scholarships to study medicine or dentistry

Your students will not only leave with enhanced test-taking abilities but also invaluable connections and resources to support their dream of a career in healthcare. Please forward this email onto your students so that they have access to this information, too.

Students and parents can register for free at this link:

Medicine: <https://medicmentor.org/get-into-medicine-university-conference/>

Dentistry: <https://dental-mentor.org/get-into-dentistry-university-conference/>

If you have any questions at all, please feel free to drop me an email [education@medicmentorfamily.org](mailto:education@medicmentorfamily.org) or call our team on 01530 417299. Thank you for working with us to make a difference to your students.

Enquiry Form: <https://airtable.com/shrM6UPT8Z2uxx7OL>

Medic Mentor Helpline: 01530 417299 (Open 10am - 5pm Monday - Friday)

# Careers Bulletin

My name is Lucy, and I manage office operations at iFindTech.

We are a Technology Recruitment company located in Brentwood High-street, specialising in sourcing talent for businesses based in Sweden, Norway & Germany etc.

I am reaching out to inquire if you may have students who could be interested in pursuing Data Entry work during school breaks?

We are seeking interns to assist us with data management and administrative tasks within our company database. This internship presents an opportunity for students to gain practical work experience while exploring the fields of sales and recruitment.

Please contact direct...

# Research Placements and Experiences

Experience Social Science Research in Action in Summer 2024

STEM Learning are offering the opportunity to gain key quantitative social science research skills by taking part in a 2 week on-site/hybrid Research Placement. Social sciences cover a diverse range of topics, and have a major influence on government policy and population behaviour.

Experience a real job in Social Sciences/STEM

Enhance personal statement and CV

Meet experts in your chosen field

Increase confidence

Students will also take part in online module assignments designed to develop essential professional, research, data and numeracy skills.

All students will have the opportunity to submit their report for a CREST Gold Award

- Applicants from low income homes will be prioritised
- Students are offered their very own research project, working alongside professional social scientists.
- The scheme is highly regarded by universities and companies, a must for student interested in quantitative social science careers
- NB Placements in Science, Technology, Engineering and Maths are also available

**APPLY NOW at:**

**[www.nuffieldresearchplacements.org](http://www.nuffieldresearchplacements.org)**

# Careers Bulletin

Only two Live work experience sessions remain before the UCAS January deadline for all Allied Healthcare university courses. These universities mandate work experience in a caring or service role within health or related fields, including direct observation of healthcare. Acquiring such work experience can be challenging, and there are areas that students may be interested in but cannot explore. That's why our LIVE Virtual Work Experience presents an incredible opportunity for students. Find out more here: <https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

**This programme is suitable for students in year groups 10- Year 13 who are interested in the following careers:**

- Nursing      Midwifery
- Paramedicine      Physiotherapy
- Occupational Therapy      Dietetics
- Radiography      Prosthetics and Orthotics
- Speech and Language Therapy      Pharmacy

**As the UCAS deadline for NHS Health Careers is in January, the sooner students begin work experience, the better. I kindly request your assistance in sharing these details with your students.**

**Students can register using the link**

**<https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>**

Once they've registered, students will be emailed links to their virtual work experience portals. Please ask students to check their spam folders and mark their attendance on the day in order to receive their Work Experience Certificates.

During the work experience day, students will follow 2 patients from their initial presentation to recovery. They will gain a unique insight into how patients interact with a variety of healthcare professionals and what it's like to work in an NHS multidisciplinary team. Attendees will have the opportunity to interact with healthcare professionals throughout each day. This will empower students to make an informed career decision and demonstrate their commitment to healthcare in their UCAS applications. Students can register individually at any time throughout the 6-month programme using the link below. We recommend booking early to gain as much out of this programme as possible. Places are £10 a session to cover administrative and technological costs.

Please forward these details to your interested students so they can participate in the monthly virtual work experience days: <https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

kindest Regards,      Nikki Abbott      Head of Education

# Calling Y12 & Y13 😊

After your Exams, How about a Free Accountancy Summer School?

**\*Please note Y12 that you will be on Work Experience Placements 8<sup>th</sup> – 19<sup>th</sup> July 2024, the summer school would count towards your placement should you wish to register**

Following the positive feedback of this year's Accountancy Summer School, we will run this FREE event again in 2024 at our Chelmsford centre.

The Summer School will be open to all students in year 11 and above so we hope to see many of your students participating.

The two-day event will take place on the 10th/11th July 2024 and will run from 9:30am to 3:30pm on both days at our centre in Chelmsford.

Attached is a booking form (linked below) and a flyer that confirms the details of the Accountancy Summer School which can be distributed to students.

Please note, that students must have the permission of a parent/carer and Head of Year to register.

<https://forms.office.com/e/F5VHARJwh8>

— Free Accountancy —

## SUMMER SCHOOL

9:30am – 3:30pm  
5th Floor Halford House, Coval Lane,  
Chelmsford CMI ITD

**What you'll cover:**

- Introduction to Accountancy
- Routes into Accountancy
- What does an Accountant do?
- CV and interview preparation
- Employer forum (Q&A)

Register your interest here

10th – 11th  
July 2024

I hope this email finds you well! My name is Veronica, and I am a doctor working for the NHS. I am emailing you from **DoctorsLive**. We are a group of doctors passionate about inspiring the next generation of students in Medicine. We are thrilled to announce that our popular SurgeryLive course is back this academic year. The online course gives students an immersive insight into the world of Surgery and what it's like to be in the operating room. Students also get their own full medical suturing kit through the post to learn how to suture.

The course is suitable for all students aged 14. Certificates will be provided for participation. Below are some further details:

### **SurgeryLive - Virtual Surgical Theatre Operating Experience - Saturday 6th July 2024**

Our **SurgeryLive** course is an **innovative and interactive virtual course** that gives students a real glimpse of what it's like to be a **surgeon** in an operating theatre, delivered by practising surgeons. The day course includes:

1. A glimpse into the day-to-day life of a surgeon
2. Solving real-life surgical cases, including history taking and anonymized scans
3. Live virtual operations - showing step by step how common surgeries are carried out
4. Learning how to suture with a live follow-along demo (students will be sent their own suturing kit, the same ones used by medical students and doctors)
5. A chance for students to interact with practising surgeons and doctors

For more information and to enroll, please visit the link below:

## Subject Taster Days

We are pleased to announce our Spring series of Subject Taster Days, taking place across March and April. These popular events will give your Year 12/first students the chance to take part in interactive taster sessions, see our art facilities, speak to current students and staff and receive general taster advice and information.

For further information and booking details, [visit our website](#).

We are currently confirming dates across the university for our summer Taster Days and will keep you updated via these newsletters for new dates and when schools can book their places. Our website also allows you to give us your details so we can keep you informed about these dates

### Offer Holder Days

We hold offer holder days each year to give students the chance to come and see us on campus after they've received an offer to study with us.

[Offer holder days | Study | Edge Hill University](#)

## Open Days

We are happy to announce our 2024 open day dates are open for bookings. Get right to the heart of what matters to you at an Edge Hill University open day. See our campus. Meet our students. Get the answers to your questions. And discover why every student feels like they're in the right place.

Visits to campus are very popular in the summer, and we are unable to accommodate all requests. In response to this, we have added a Friday open day for schools and colleges to bring students to visit. It is 10am-3pm and the day will include subject talks, a student life fair, application advice, talks on finance and accommodation and the opportunity to tour our campus and accommodation. We will be able to reimburse you for your transport to campus. We expect this event to be popular so would recommend you contact us soon to book. To find out more and book onto the school and colleges open day, **[visit our website.](#)**

### **2024 Open day dates:**

- Friday 5th July 2024 (*Schools and colleges*)
- Saturday 6th July 2024
- Saturday 17th August 2024
- Saturday 12th October 2024
- Saturday 2nd November 2024
- Saturday 23rd November 2024

# UNIVERSITY OF PORTSMOUTH

We realise that it's not always easy to get to an Open Day. But YOU can still get a feel for life on campus without leaving home using our **Virtual Experience** portal.
